Dear Chris.

I write to you in your role as Secretary of B. F. P. C. to tender my resignation from the current forthwith. When I came for the interview I was asked what I could bring to the position being taken aboard by the question I said honesty, but I now find I am not being honest with myself or our local residents, and although I believe in Bio Diversity I don't believe it should be the be all of everything we do in the village. So Chris thank you for everything you do for the village and wish you well for the future.

Yours faithfully

Ben Smith
